How to connect

PC

The headset and the USB dongle are pre-paired and ready for use.

Smartphone

Switch on Bluetooth pairing and then follow the voice-guided instructions in the headset.

How to use

Listen-in
Listen to your surroundings without taking off your headset.

Active Noise Cancellation
Eliminate unwanted background noise at the touch of a button.

Charging
Use the USB cable or charging stand. The charging stand should be plugged into a powered USB port on your PC, docking station, or wall charger.

It takes approx. 2 hours to fully charge the headset.
